## The GCC Code Are you complying?

**Date:** Friday 31 August. 930am to 4.30pm  
**Cost:** **FREE to MCC Graduates!!**  
**Speaker:** Professor Christina Cunliffe  
**Venue:** McTimoney College of Chiropractic, Abingdon, Oxon  
**CPD Points:** 6 hours of attendance

**LAST OPPORTUNITY TO LEARN WITH OTHERS IN THIS CPD YEAR**

**How familiar are you with the new GCC CODE  
that came into force June 2016?**

**Have you read the detailed (and updated) guidance  
that informs the CODE?**

- ❖ Are you aware of the social media guidance?
- ❖ Do you understand what you need to do to inform patients about how to complain?
- ❖ Are you clear about what you can, and cannot, advertise?

If not, this is the ideal seminar to update your knowledge and keep you abreast of the latest developments.

- If you have attended a previous CoP/SoP seminar, this will be an opportunity to become aware of new things that you may need to change.
- If you have never attended one of these seminars, it is time you did!

In this session, Christina will highlight changes that will affect your future practice, and give you tips to ensure that you are up to date with the Law. Each section of the Code will be reviewed to ensure that you can comply. Presenting exclusively for McTimoney College Graduates, we strongly recommend that everyone attend to prevent potential problems in the future.

### Professor Christina Cunliffe

Christina Cunliffe is Principal of the McTimoney College of Chiropractic and a well known speaker on a wide range of chiropractic issues. For those of you who have been to talks by Christina before, you will know that she will make this talk interesting and informative.
